FOR IMMEDIATE RELEASE

FIRST-EVER LIST OF THE 5,000 FASTEST-GROWING BUSINESSES REPORTS TOTAL REVENUE OF \$194.5 BILLION

Axis Technical Group, Inc. Ranks No. 732 on the 2007 Inc. 5,000 With Three-Year Sales Growth of 461.6%

NEW YORK, August 23, 2007 – Axis Technical Group Inc. ranked 732 on its first-ever Inc. 5,000 list of the fastest-growing private companies in the country. The Inc. 5,000, an extension of *Inc.* magazine's annual Inc. 500 list, touches upon many businesses that are too large to grow at the pace required to make the Inc. 500, as well as a host of smaller firms. Taken as a whole, these companies represent the backbone of the U.S. economy. **In addition to establishing a healthy position on Inc.'s ranking within the country, Axis Technical also ranked #40 for the Los Angeles/ Orange County region and #77 for the IT industry in its entirety.**

"The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said Inc. 5,000 Project Manager Jim Melloan. "The expansion of the list has allowed us to tell the stories of larger companies, older companies, and a wealth of companies in industries like Manufacturing and Construction that are underreported in the business media.

Axis Technical Group, Inc. is a leading technology Staffing and Consulting firm based in Anaheim, California with offices in San Diego, California, Monterrey, Mexico and Pune, India. Axis' President and CEO, Michael Valdes has built the company's foundation upon the core values of Quality, Consistency, Honesty, Loyalty, and Excellence through hard work. The company's focus on unparalleled customer service allows Axis Technical to provide every client with the cost-effective resources and solutions necessary to help them achieve their business goals.

The 2007 Inc. 5,000, as revealed online at www.inc.com, reported median revenue of \$9.4 million and median three-year growth of 140 percent. Complete information on this year's Inc. 5,000, can be found at www.inc.com/inc5000. The list features a profile for each company, nearly all of them written as a result of *Inc.* interviews with management. In addition, the list is searchable according to numerous criteria, including industry, city, state, region, and year founded.

Hottest Regions for Fastest-Growing Companies

Leading the list of the fastest-growing companies in the nation is the Midwest region with 1,046 of the fastest-growing companies, followed by the West with 884 companies. The Southeast comes in a close third, with 872 companies, followed by the Northeast with 782 companies, and the Mid-Atlantic region with 606 companies.

Methodology

The 2007 Inc. 5000 list measures revenue growth from 2003 through 2006. To qualify, companies have to be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.

Companies can apply for next year's Inc. 500 and Inc. 5,000 by registering with IncBizNet, the new social network for private companies that will launch this fall on Inc.com.
