PRESS RELEASE

FOR IMMEDIATE RELEASE

Axis Technical Group, Inc. Ranks No. 818 on the 2008 Inc. 5,000 With Three-Year Sales Growth of 434.6%

ANAHEIM, CA August 20, 2008 – For the second year in a row, Axis Technical Group Inc. ranked in the top 1,000 of the Inc. 5,000 list. The second annual listing of fastest-growing private companies in the United States, ranks Axis Technical number 818 on the list, with three-year sales growth of 434%. The list is the most comprehensive look at the most important segment of the economy – America’s independent-minded entrepreneurs. Taken as a whole, these companies represent the backbone of the U.S. economy.

“Our second annual Inc. 5000 continues the most ambitious project in business journalism,” said Inc. 5000 Project Manager Jim Melloan. “The Inc. 5000 gives an unrivalled portrait of young, underreported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth.”

The 5000 companies that made the list reported aggregate revenue of \$185 billion and median three-year growth of 147 percent. Most important, the 2008 Inc. 5000 companies were engines of job growth, having created more than 826,033 jobs since those companies were founded. Complete results of the Inc. 5000, including company profiles and a list of the fastest-growing companies that can be sorted by industry and region can be found at www.inc5000.com.

Michael Valdes, Axis Technical President, attributes the company’s success and growth to “hard work, determination and a focus on client satisfaction. He adds that “even in a challenging economy, our team has focused on the opportunities to grow our business in ways that remain continuously valuable to our clients.
